EDUCATION

MINDHUB

Full Stack MERN Web Development & Mobile Apps, 2022

- A bootcamp with more than 700 hrs, where we simulate an actual work environment, following modern methodologies like SCRUM and 'Learning by doing'.

Universidad Tecnológica Nacional - Facultad Regional Córdoba.

Electrical Engineering, 2013-2015

Systems Engineering, 2016-2018

- I've done 2 years of system engineering where I learned how to think logically, and I did my first steps coding with Python.

FRANCO CASPANI

FULL STACK MERN DEVELOPER
